Done! Congratulations on your new bot. You will find it at t.me/vi_ra_ha_bot. You can now add a description, about section and profile picture for your bot, see /help for a list of commands. By the way, when you've finished creating your cool bot, ping our Bot Support if you want a better username for it. Just make sure the bot is fully operational before you do this.

Use this token to access the HTTP API:

Recent scam alerts in India highlight a surge in various fraudulent activities:

- * **Job Frauds:** Scammers offer fake job opportunities, demanding money for registration, training, or equipment.
- * **Fake Customer Care:** Fraudsters create fake customer care numbers for banks, e-commerce sites, and other services. Victims searching online call these numbers and are tricked into sharing sensitive information.
- * **Phishing:** Scammers send deceptive emails, SMS, or social media messages with malicious links designed to steal login credentials, financial information, or install malware.
- * **QR Code Scams:** Victims are tricked into scanning QR codes that redirect them to fake payment apps or websites, resulting in unauthorized transactions.
- * **UPI Frauds:** Scammers use UPI platforms to request money from victims or trick them into sharing OTPs.
- * **Loan App Frauds:** Unauthorized loan apps lure individuals with quick loans but charge exorbitant interest rates and use aggressive recovery tactics.

Okay, I will proceed with analyzing the message based on the instructions.

The message is: "Yes i accepted"

Since this is a follow-up to a previous interaction regarding a job offer, I need to ask:

"Did they ask money for your certificates or related stuff?"
